### **12. Candidature**

All eligible natural and legal persons (as per item 11 above) or groupings of such persons (consortia) may apply.

A consortium may be a permanent, legally-established grouping or a grouping which has been constituted informally for a specific tender procedure. All members of a consortium (ie, the leader and all other members) are jointly and severally liable to the Contracting Authority.

The participation of an ineligible natural or legal person (as per item 11) will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

### **13. Number of applications**

No more than one application can be submitted by a natural or legal person whatever the form of participation (as an individual legal entity or as leader or member of a consortium submitting an application). In the event that a natural or legal person submits more than one application, all applications in which that person has participated will be excluded.

### **14. Shortlist alliances prohibited**

The following selection criteria will be applied to candidates. In the case of applications submitted by a consortium, these selection criteria will be applied to the consortium as a whole:

*[based on item 3 of the application form]*

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Under the same conditions, a consortium of economic operators may rely on the capacities of members of the consortium or of other entities.

If the number of eligible candidates meeting the selection criteria is greater than the maximum number of eight, the relative strengths and weaknesses of these candidates will be re-examined to

identify the eight best Applications for the tender procedure.

From the eligible projects from 3(a), the only factors taken into consideration will be (in descending order of preference):

- i. Highest number of European Community (EC) funded projects completed.
- ii. Highest total numerical value of their proportion in all EC funded projects completed.
