1	<p>We kindly request you to send us the drawings included in the Tender Documents, Volume 5 in DWG format to be used for design purposes. Especially we need general layout drawing of the site in DWG format.</p>	<p>Tenderers should consider that CAD format drawings can only be made available to the successful tenderer within the award of contract procedure.</p>
2	<p>Ref: As for the Technical and Professional capacity of the tenderer. We read: "The tenderers leading partners of a JV or Consortia shall meet non less than 50% of the technical and professional capacity..."</p> <p>If the leader member of a JV meet the 100% of the capacity required, it's necessary to demonstrate also the capacity of the other members? or this criteria is for the whole of the JV and there are no requested a minimum of % for the other members as for the financial and economic capacity? Please specify this aspect, because it's important to understand if a JV, where the lead member, having the necessary required experience may perform the specific works, and the partner performing the civil works, can be accepted.</p>	<p>The selection criteria, specified in article 16 of the Procurement notice are divided in three categories and applicable as follows:</p> <ol style="list-style-type: none"><li>1) general – applicable for each member of the consortium separately (subclause 3.3 of the Instructions to Tenderers)</li><li>2) economic and financial capacity of the tenderers – applicable to the consortium as a whole. Further it is required that the leading partner meets not less than 50% of the economic and financial capacity and each other partner meets not less than 10% of the economic and financial capacity, which is required from the consortium/joint venture as a whole</li><li>3) technical and professional capacity - applicable to the consortium as a whole. Further it is required that the leading partner meets not less than 50% of the technical and professional capacity, which is required from the consortium/joint venture as a whole. There is no such requirement for the other partners in the consortia/joint ventures.</li></ol>
