<b>No</b>	<b>Question</b>	<b>Answer</b>
1	<p>As senior ICT partner I would like to understand if there is a limit on the total budget that could be allocated to this kind of partner.</p> <p>To be more precise, is it true that the ICT partner cannot have a budget higher than 1/3 of the total amount?</p> <p>It is important to understand as our contribution to the project is really strategic and we need to decide if we can go on or simply it is better to abandon the idea of being involved.</p>	<p>Prior weighting of financial implications for different components of the project cannot be identified. This should be reflected by the shortlisted tenderer in its Organisation and Methodology at tendering stage.</p>
