1	<p>We would like to ask if the requirement that says : The candidate must have provided at least 2 projects in the past 3 years covering supervision of waste management"</p> <p>- is a reference about already completed projects or the projects may be started and ongoing in this moment?</p>	<p>Apart from the already completed projects, it is possible for the candidate/tenderer to refer also to a part of a project if the contract has not yet been completed. However, only that part which has been completed until the deadline for receipt of applications may be used as a reference.</p> <p>The candidate/tenderer needs to be able to submit documentary evidence of that part's completion (e.g. a statement from the entity which ordered the service, a copy of a contract, approval of progress reports, projects deliverables, proof of payment of interim/final invoices, etc.).</p>
