1.	We are wondering whether the declaration in the annex to the application form, to be submitted by the consortium members under point 7 of the application form must be submitted in the original, or would a printout of a scanned copy suffice at this stage?	Page 5, point 7 Declaration (s) of the Standard Application form reads: "As part of their application, each legal entity identified under point 1 of this application, including every consortium member, must submit a signed declaration using the attached format. <b>The declaration may be in original or in copy. If copies are submitted the originals must be dispatched to the Contracting Authority upon request</b> ".
