1	Please let me know when it is possible to visit the site in Sabac to meet the requirements of the tender specifications.	Please refer to Clarifications No 1, Item 5 to the Tender Dossier, available on the following website <a href="https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?do=publi.welcome">https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?do=publi.welcome</a> under reference number 130447
2	Concerning the economic and financial capacity of tenderers, I read on the Works Procurement Notice 08SER01/13/51 (pag.3) that the average annual turnover of the last three years (2009,2008,2007) must be at least 30.000.000 euro, while in the tender dossier I found that the average turnover of the following three years (2010,2009,2008) must be at least 20.000.000 euro.	The information in the Procurement Notice is the correct one. Please refer also to the Corrigendum No 2 to the Tender Dossier, Item 1.
3	Regarding the tender procedure for the Waste Water Treatment Project – Sabac, I wanted to ask you if information regarding the interest expressed so far, is publicly available.  How many companies have expressed interest so far and which countries are these companies/consortiums mainly coming from.  We understand that there was a site visit last week, how many companies were present?	The requested information is available in the Site visit documentation, published on the following website  <a href="https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?do=publi.welcome">https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?do=publi.welcome</a> under reference number 130447
