Ref. 2011D03143

CONTRACTING AUTHORITY'S CLARIFICATIONS

Project title: "Supply of rabies vaccines for oral vaccination" (Re-launch)

Publication ref.: EuropeAid/130686/C/SUP/RS

No	Question	Answer
1	Please confirm if the contractor, in performing the Contract, shall comply with all applicable national laws including those governing the vaccine bait (Marketing authorization, Import regulations for veterinary products, etc.) and those governing the areal distribution of vaccine baits (Approvals for flight and special equipment used (as per TS) from the national CCA, etc.)	Please refer to Technical specifications section 1.3 and article 8 of the Special Conditions to the contract. The Contractor shall, in performing the Contract, comply with all applicable national laws.
2	Please confirm that the assessment of the safety of the vaccine virus for humans shall be performed with that particular vaccine strain that is mentioned in the vaccine's Marketing Authorization.	Please refer to the Technical specifications section 1.3 where assessment of the safety of the vaccine virus for humans through innocuity test in primates is required.
3	As the first tender offer for the same tender procedure already included some original documents it is only possible to provide copies of some documents now. Hence original documents can not be provided upon request. Please confirm that reference can be made to the first tender offer for the same tender procedure with regard to original documents.	The tenderers are expected to provide all necessary documents as per the requirements of the Tender Dossier. Please refer to article 11 Content of tenders from the Instructions to tenderers.
