CONTRACTING AUTHORITY'S CLARIFICATIONS

Publication reference: EuropeAid/131854/C/SER/RS

**Modernization of railways – Project documentation for the railway bypass around
Nis**

No	Question	Answer
1	Please clarify whether for the tender concerned we have to use the new (PRAG 2013) format of the Standard Application Form (with the revised financial table) or the previous (PRAG 2012) format.	As the Procurement Notice for the tender concerned was published in December 2012, the previous (PRAG 2012) template shall be used for the Standard Application form.
