1.	Does the term "other staff" refers only to the employed under a fixed-term agreement, or could also include people engaged under service agreements and copyright contracts, if they actually act as staff members?	Assuming the question refers to the line "other staff" in the table in section 4 of the standard application form, please note that other staff refers to staff " <i>not directly employed by the candidate on a permanent basis (i.e., under fixed-term contracts)</i> ", as explained in the endnote no. 13.
