### **Bosnia and Herzegovina: Council extends measures in support of ICTY**

The Council of the European Union adopted a Decision extending the measures agreed in its Common Position on support for the effective implementation of the mandate of the International Criminal Tribunal for the former Yugoslavia (ICTY) (10320/04). The measures, first adopted in April 2003 , and renewed for a further 12 months on 30 March 2004 , are aimed at preventing the entry into or transit through EU Member States of individuals engaged in activities which help persons at large continue to evade justice for crimes for which the ICTY has indicted them, or who are otherwise acting in a manner which could obstruct the ICTY's work. Persons indicted are still at large, and there is evidence that they are being assisted in their efforts to evade justice. The Council decision extends the travel ban to a further thirteen individuals. The updated list of individuals is attached.
