

Capacity building for the alignment with the acquis in the area of agriculture, rural development, food safety, veterinary and phytosanitary policy

EuropeAid/138038/DH/SER/RS

Terms of Reference Chapter 11, No 3B-1 Senior Non-key experts on Project Component 1 – Paying Agency Senior Non-Key Expert

1. Project Background

The overall objective of the project is to improve the capacity of the MAFWM to manage the process of integration with the EU policies in the agriculture and rural development.

The European Agricultural Fund for Rural Development (EAFRD) and European Agricultural Guarantee Fund (EAGF) constitute the main legislation body of the Common Agricultural Policy could be transposed directly to the candidate countries.

The correct administrative application is crucial for the functioning of the Common Agricultural Policy and the EU internal market. The EU legislation from Chapter 11 may have a significant impact on the current policy support to agriculture in the Republic of Serbia.

Through the implementation of Component 1, this project supports the MAFWM, and other bodies, stakeholders involved in the EU accession process with support in transposition of *acquis* and preparations for implementation of EU Common Agriculture Policy and associated *acquis*. The project shall provide high quality expertise to the EU integration process in the Republic of Serbia for Chapter 11.

The project will have two-fold approach: (1) provide support to coordination and managing the integration process (2) provide technical (content-oriented) support and expertise on demand to the relevant structures in the MAFWM and other institutions.

Component 1. Strengthened capacity to effectively administer and implement alignment of the Serbian agriculture and rural development with the Common Agricultural Policy in the process of EU accession (Chapter 11).

Accession negotiations in Chapter 11 focus amongst others on market organisation, quality policy, organic policy, direct payments and rural development.

Chapter 11 covers a large number of binding rules, many of which are directly applicable.

The proper application of these rules and their effective enforcement and control by an efficient public administration are essential for the functioning of the CAP.

Implementation, management and control of the CAP require the creation, modification and/or strengthening of appropriate administrative structures (e.g. Paying Agency and Integrated Administrative and Control System (IACS)). In some cases, the *acquis* sets out detailed specifications for the required administrative structures.

Through this contract, the Contractor should assist beneficiary in following activities related to Chapter 11 (Agriculture and Rural Development).

The results forecasted in the project in the current development are the following:

Capacity building for the alignment with the acquis in the area of agriculture, rural development, food safety, veterinary and phytosanitary policy
