CONTRACTING AUTHORITY'S CLARIFICATIONS No. 1

„Supervision of the modernization and rehabilitation of the railway section Niš - Brestovac”

Publication ref.: EuropeAid/140001/SER/RS

Note: New deadline for submission of tenders

No.	Question	Answer
1	<p>...In relation to the ongoing proceedings concerning: <i>Supervision of the modernization and rehabilitation of the railway section Niš - Brestovac</i> - I kindly ask you to specify the following provision:</p> <p>b) <i>The candidate has provided services of TSI conformity check as nominated Notification Body according to Directive 2008/57/EC (i.e. according to Directive (EU) 2016/797 after Directive 2008/57/EC has been repealed) covering all together (not necessarily in one project) Energy TSI; infrastructure TSI; Control command and signalling TSI; Operation and Traffic management TSI.</i></p> <p>As Notified Body <u>XXXX</u>, we clarify that the scope of the notification given by the European Commission for all Notified Bodies in Europe <u>does not cover the OPE TSI</u>, as it is a so-called “functional” TSI. Link to NANDO database below: https://ec.europa.eu/growth/tools-databases/nando/index.cfm?fuseaction=directive.notifiedbody&dir_id=30</p> <p>Therefore, it is not appropriate to expect the Notified Body to demonstrate completed EC verification (certification) processes for compliance with the OPE TSI within the framework of your procurement review.</p>	<p>This issue will be remedied by means of Corrigendum to the Contract Notice No.1.</p> <p>Deadline for submission of tenders will be postponed to 9th September 2019.</p> <p>Please regularly check official websites: https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?do=publi.welcome and http://www.cfcu.gov.rs/tenderi.php.</p>

No.	Question	Answer
	<p><u>This is a requirement that can only be met for: Energy TSI; Infrastructure TSI; Control command and signalling TSI</u> We therefore kindly ask you to make a corresponding correction in the “Contract notice” document...</p>
