#EY
ЗА ТЕБЕ

ЕУ за Зелену агенду у Србији

#mobilityweek

TUE 17 September

Belgrade,
Ada Ciganlija

15:30 - 19:30

Opening of Mobility Week with an educational and promotional family cycling event.

The opening includes a fun and educational cycling course "Polygon" and a family ride with "Tour de Fun" (Olympic cyclist Ivan Stević), in collaboration with the United Nations Development Programme (UNDP) as part of the "EU for Green Agenda in Serbia" project, the Standing Conference of Towns and Municipalities (SCTM), and the Belgrade City Transport Secretariat.

Niš

11:00 - 13:00

Panel Discussion: "Common Public Spaces - Challenges and Opportunities" at the Amphitheatre on Nišava River Quay.

The EH Niš, in collaboration with the City of Niš, will host a panel discussion to speak with professionals about the importance of sustainable urban mobility, highlight current projects in the city, and prepare for the future.

Niš

17:30 - 18:30

Green lecture Architecture of Togetherness: Activating Unused Public Spaces Join us for Architecture of Togetherness.

Activating Unused Public Spaces, a discussion on how transforming underutilized public areas can foster social cohesion, solidarity, and sustainable urban development.

Presented by Dr. Iva Čukić, architect and co-founder of Ministry of Space. Partner: Center for Promotion of Science Belgrade.

- Tour de Fruška, educational workshops on traffic rules for cyclists and first aid, a free bicycle service, and a day of fun, learning, and sustainable transportation.
- The event will also feature an official press point and the opportunity to explore the city on two wheels.

Niš

16:00 - 20:00 **The City of Niš traditionally celebrates Car-Free Day** by closing Vožda Karađorđa Street to cars and inviting citizens to participate in activities organized by local institutions, sports clubs, and artists.

Europe House Niš will participate in Car-Free Day by conducting a "Quiz," providing symbolic awards to participants.

SAT 21 September

 Belgrade,
Europe House

12:00 - 14:00

Simulation of cycling through European landscapes and cities.

The installation features professional racing bicycles, a smart application, and large LCD screens, providing an interactive multimedia experience of cycling through European landscapes and cities. The event is hosted by Europe House Belgrade and the EU Delegation in Serbia, in partnership with the organization Tour de Fun, led by Olympic cyclist Ivan Stević, and the United Nations Development Programme (UNDP) as part of the "EU for the Green Agenda in Serbia" project.

SUN 22 September

 Belgrade

(depending on)

Primary School Laza Kostić, Block 23 – Greening public spaces.

Planning and providing shade in the school environment, primary school access roads, and tree-planting activity near school tracks

 Niš

11:00 - 14:00

"A Bicycle Ride Through Niš". The bike tour is a 10 km route that takes about an hour to complete and has been held traditionally.

The route is designed to accommodate people of all ages. Additional events at the finish line will include children's training grounds and a variety of sports games conducted by young athletes. Partners: City of Niš and the Association of Cyclists "Caravan Team."

16 - 22 September

 Niš

Awarding Cycling. A giveaway will be held to encourage cycling in Niš.

Citizens who use the City&Me smartphone app can earn tokens for the kilometers they cycle or walk. Top participants with the highest results will be able to exchange their tokens for cycling gear at a dedicated store. Our partner in this initiative is City&Me, a startup based in the Science Technology Park Niš. City&Me is part of the GovTech Connect Bootcamp, a European Commission-funded pilot initiative aimed at advancing public sector digitalization.

1 - 3 October

 Belgrade

Traffic for All – Conference organised by "Ulice za bicikliste" and the "Novosadska biciklistička inicijativa".

The first day of the event will include the announcement of the Urban Mobility Institute's opening. Program in development.
